

## PROJECT LAYOUT DESIGNER

### YOUR FUNCTION

#### Holistic Design :

- 3D Design per contractual agreements and based on latest design checklists.
- You are checking the budget consequences of the holistic design.
- You are creating the drawing list and draft version of the PIN-list.
- You evaluate where additional strength calculations will be needed ( big ducts, combustion chamber... ).

#### Drawings :

- You are making the layout, load drawing and line model of the energy plants.
- You are checking finished construction drawings with original start instructions and doing status changes.
- You are integrating finished construction drawings into the layout and actively checking the drawings and the layout to exclude collisions.
- You are actively checking the drawings and the layout to have collision free walkways and good accessibility to parts which need manual handling to obtain smooth maintenance.
- You are creating timely the start instructions for the MDE or subcontractors by start drawings and sketches.

#### Planning :

- Together with the Project Team Manager you are assigning the detailed drawings to in-ternal and external resources.
- You are responsible for the follow-up of subcontracted drawings.
- You are in close communication with DTE, MDE, PMO, PE about the status / progress / requested input / deadlines of the project drawings.

### YOUR PROFILE

- You've obtained a degree in Mechanical design.
- You are experienced with 2D & 3D software, preferably AutoCAD 2D & 3D, Inventor, Revit, Navisworks.
- You have a good abstract and conceptual insight. You have a pro-active personality, combined with common sense and creativity.
- You can express yourself fluently in English.

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 300 Vynckeneers, as we call our employees, are stationed in our offices in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
