

PROJECT QUALITY ENGINEER

MEETING TECHNICAL STANDARDS

YOUR FUNCTION

- As a Project Quality Engineer you work closely with the Project Managers to describe the quality expectations, mainly for pressure parts. You translate the VYNCKE standards and the demands of our clients into requirements for our suppliers. The VYNCKE standards are the result of years of experience.
- You strive for a high level of objective technical quality from our partner suppliers. You audit new potential suppliers and you evaluate current suppliers. Therefore you conduct site visits, you check if contractual quality levels are met in practice, you follow up non-conformity reports, etc. You establish supplier quality documentation and ensure data and certifications records are up to date and centrally available within VYNCKE.
- You keep track of the agreed construction standards and update the internal quality standards. You make sure all the necessary documentation and components are certified. In order to do this, you work with external parties.

YOUR PROFILE

- You have obtained minimum a technical Bachelor and have preferably 5 years of experience with quality control of technical products or product parts.
- Knowledge of established quality systems (ASME, EU standards) is a plus.
- You combine good administration and communication skills
- You are able to travel up to 25 % of your time
- Field experience on project sites with large pressure parts is an asset
- You have a good knowledge of English

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 300 Vynckeneers, as we call our employees, are stationed in our offices in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
