

## GENERAL MANAGER FOR OUR JOINT VENTURE IN INDIA

### YOUR FUNCTION

- You assure the continuity in local leadership.
- You define the growth plan and build a team accordingly to manage and execute.
- You will lift up the organization by professionalizing processes, bringing structure and organize efficient teams.
- You can count on a senior team of local managers, 45 loyal employees and support of the parent companies. VYNCKE can bring technical know how, FORBES MARSHALL has the local network and market knowledge.
- You report to the board of directors.

### YOUR PROFILE

- You have a master degree, with a technical focus. A business management degree is a strong asset.
- You have minimum 15 years of experience in project business, of which 5 years in a senior management position in an international environment.
- You have been working in India or with Indian teams. You are familiar with doing business in the region.
- Being familiar with a family business or a bridging role is a strong asset.
- You are willing to work and live in Pune ( India ) for a mission of 3 to 5 years.

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 330 Vynckeneers, as we call our employees, are stationed in our offices in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
