

## PROJECT ENGINEER

### BASED AT BANGNA, THAILAND

#### YOUR FUNCTION

Project management support

- You take care process & instrumentation (P&ID) items are defined, purchased and delivered timely on site. When needed, you adapt the P&ID schemes.
- You compare supplier quotations and prepare purchase orders. You contact suppliers to clarify differences between specifications and the quotation.
- You check delivery times of suppliers and coordinates transport of project items. You take care of transport documentation ( purchase order, packing lists and certificates ). When the energy plant is being built, you take care that urgent deliveries and site-items get prepared and arrive on-site timely.
- You are regularly in contact with our warehouse & logistics.

Documentation

- You compile instruction manuals from OEM and VYNCKE components.
- You gather all the technical information per project and upload it ( certificates, drawings, datasheets, ... ) in our ERP system ( IFS ).
- You organize and maintain files, so you have always the right and up to date information.

#### YOUR PROFILE

- Bachelor degree and above in technical sciences engineering or equivalent.
- Minimum 3 years of experience in engineering, project management or related field.
- A strong technical interest.
- Fluently spoken and written in English.
- Speaking and writing of the local language and other foreign languages is a strong asset.

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 350 Vynckeneers are stationed in our settlements in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand, Spain and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
