- Your task is to maintain and upgrade infrastructure : ( Virtual ) Servers, Network, Firewalls, Security and end-user devices.
- You provide ideas and suggestions on possible improvements to the ICT Manager and manage the implementation.
- You support & train the end-users together with the team, you define ways how to prevent repetitive problems or questions.
- You pro-actively monitor the health, speed, consistency and security of the different systems & databases.
- You assist other team members with your personal knowledge and competences.

### YOUR PROFILE

- You're a service driven bachelor in ICT.
- You're eager to learn and you keep yourself up-to-date about ICT topics
- You need a sound knowledge of Security, Active directory, Office365 & Backup, Networking, Windows Server & Virtualization.
- You have good interpersonal skills. You can actively communicate with demanding users to define their needs, to understand their questions, to create consensus on timing, approach & solution.
- Your approach is hands on, creative and service oriented. You're a quick learner and a pro-active and communicative team player, but when necessary can work also autonomously. A good problem solver who can tackle problems with common sense and in a structured manner is what we need !

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 350 Vynckeneers are stationed in our settlements in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand, Spain and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers !
