

ICT SYSTEM ENGINEER TO MANAGE OUR ICT INFRASTRUCTURE

YOUR FUNCTION

- Your task is to manage, maintain and upgrade infrastructure: Cloud and on-premises Servers, Network, Firewalls, Security and end-user devices.
- You provide ideas and suggestions on possible improvements to the ICT Manager and manage the implementation.
- You define the right solution for the user's requirements. You assist the ICT Support Engineers in deploying these tools and you keep track of end user experience to ensure they run smoothly & efficiently.
- You pro-actively monitor the availability, health, speed, consistency and security of the different systems.
- You assist other team members with your personal knowledge and competences.

YOUR PROFILE

- You are a service driven bachelor in ICT.
- You have minimum 5 years of experience with Azure, Office365, Windows Server, VMware, Veeam, Active Directory, Networking (CLI) and firewall management.
- You have good interpersonal skills. You can actively communicate with demanding users to define their needs, to understand their questions and to create consensus on timing, approach & solution.
- Your approach is hands on, creative and service oriented. You are a quick learner and a pro-active team player who can work autonomously when needed.
- You are a good problem solver who can tackle problems with common sense and in a structured way is what we need!
- Fluent English is a must.

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 350 Vynckeneers are stationed in our offices in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand, Spain and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
