

## THE VYNCKENEERS HAVE A NEW NEST IN MATARÓ – CATALUNYA

The year 2019 marked an extension of the VYNCKE family/settlements in the country of Spain.

LSolé is a family-owned company with a 50-year track record of supplying small size biomass projects in Spain, France and Central America. After a challenging phase, LSolé reorganized itself under the leadership of Daniel Solé and Joan Ribas to form current day, BaW Energy. With a solid product, know-how and ambition goals in mind, the company's value system and vision perfectly sync with that of VYNCKE's.

Under the brand VYNCKE, the “LSolé Series” will consist of a team with an aim to realize the best quality/cost ratio biomass boilers in the range of 1 to 10MW. They will stay focused in this capacity range and offer competitive solutions for America, Europe and Africa.

Located in Mataró, Spain and led by Daniel Solé and Joan Ribas, the incorporation of BaW Energy into the VYNCKE ecosystem strengthens VYNCKE's market position in Latin-America.
