- You assure Quality, Health and Safety standards are developed, set and followed in the workshops and related activities, in line with VYNCKE's global Quality, Health and Safety policies.
- You set up SMART cost targets for production and define the purchasing, subcontracting and raw materials storage strategy.
- You assure an optimal interaction with Dynamics Engineering and you realize a growing part of VYNCKE's global Customer Service activities.
- You lead a multidisciplinary and international team (60 blue collars/16 white collars) which you motivate and support in personal development.
- You communicate in open and transparent way throughout VYNCKE.
- You are a member of the Czech management team which is responsible for our Czech settlement and its relation with all regional stakeholders.

YOUR PROFILE

- You have a Bachelor or Master degree, which is technically oriented.
- You have a minimum of 5 years of senior managerial experience in metal-working industry, machine construction, semi-automated production processes.
- You are an experienced people manager in manufacturing environment.
- You have an experience in production & production technology knowledge.
- You are familiar with ERP systems and office software.
- You have a fluent knowledge of Czech and English language.

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 350 Vynckeneers are stationed in our offices in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand, Spain and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
