

PROJECT FIELD ENGINEER SITE SUPERVISOR

YOUR FUNCTION

As a site supervisor you will be frequently abroad for longer periods, varying from several days to 3-4 weeks at once. It means that you like to travel and you're ready to stay out of home several months per year.

Your responsibilities on-site :

- Guide and follow -up of the local partners, subcontractors and the operation team of the customer.
- Coordination on site, including progress meetings.
- Act as hinge between client on site and project team in Harelbeke (Belgium), give feedback about executed works & activities.
- Testing of I/O and electrical connection.
- Upload of energy plant control software (PLC, visualization).
- Starting and testing the first fire.
- Fine tuning of the installation in order to meet the required performances (stability, power output, emissions).
- Monitor boiler performance and provide feedback to the project engineers.
- Provide training for the operators and the maintenance team of the customer.

YOUR PROFILE

- You have a Master degree, by preference in Electro-Mechanics or Electrics (Measurement & Regulation ; PLC programming ; Automation).
- You have a hands-on approach and are able to work independently.
- You like working abroad or can cope with a high travel frequency.
- You have good communication skills, also in English.

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 350 Vynckeneers are stationed in our offices in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand, Spain and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
