

## MECHANICAL DESIGNER

### YOUR FUNCTION

- Mechanical design : creating the design drawings for multiple projects following applicable norms & standards and contractual agreements. In active cooperation with the Project Manager you will check budget consequences and evaluate where additional calculations or input is needed.
- Planning : Assigning the detailed drawings to internal & external resources and follow-up on subcontracted drawings to guarantee deadlines are respected.
- Health & Safety : responsible for assuring an installation can be build and used in a healthy and safe manner.
- Sales Support: providing sales layout designs for new upcoming projects.
- Other : assisting in trouble shooting and problem solving in manufacturing phase, support purchasing and supplier management, quality, logistics,..

### YOUR PROFILE

- You have a Master degree in Industrial Engineering, preferable with a specialism in thermodynamics or mechanics.
- You are a self-starter with experience in mechanical design within an SME environment.
- You combine strong technical thinking with a hands-on approach. Your eye for detail, broad interest in all processes within an organization and your sense of urgency defines you.
- You are a real team player with a great sense of proactivity. You thrive when you can help and support your colleagues to reach your common goals.
- You have in depth knowledge of 3D software, such as Inventor, Solidworks and AutoCAD.
- You are based in our offices in Mataro and you are willing to travel occasionally ( max 10 % ).
- You are fluent in Spanish and English

VYNCKE is a dynamic, family owned company that, since the start in 1912, has grown to a global player in the sector of clean energy technology : more precisely the development and construction of customized waste to energy installations.

Worldwide more than 350 Vynckeneers are stationed in our settlements in Brazil, Belgium, Germany, Czech Republic, India, China, Thailand, Spain and Malaysia.

Thanks to more than 4.000 satisfied customers all over the world, a well-lined order book and the loyal commitment of the enthusiastic Vynckeneers we maintain a stable position in the market. This allows us to offer excellent job security.

Are you a real team player, do you enjoy own responsibility and taking initiative, do you have an open international mentality and are you willing to travel? Then probably you could be one of the new Vynckeneers!
