

VYNCKE BAGS MULTIPLE AWARDS IN CZECH REPUBLIC!

The Czech Industry Challenge is a national initiative that celebrates companies in any industry that stand out by their capacity to attract young talents and thus notably contribute to bringing Czech Republic to a satisfactory long-term employment situation. (www.czechindustrychallenge.cz)

The jury looks particularly at 6 different areas to determine which companies are rewarded:

- Industrial photography eye-catching advertisements)
- Recruitment campaigns
- Corporate website and career section
- Original corporate ambassadors and/or events
- Top (non) working place (not only office premises, but also leisure, sports, activities)
- Support for education (from kindergarten to universities)

We are happy to share with you that our Czech settlement was rewarded by the CZECH INDUSTRY Challenge in 3 categories!

- 3rd place in category: Top (non) working place for the great work environment.
- 3rd place in category: Industrial photography
- A special award for the original HR Marketing in industrial environment

Alongside, our HR manager in Czech Republic has been awarded the HR Manager of the Year 2020 prize in middle size companies.

This award is granted by HR Club Moravia & Silesia and the President of HR Association of Czech Republic

Gratulace! Congratulations!
